LIFE GROUPS MEET SUNDAYS AT 9:30 A.M.

➤ EXPLORE THE BIBLE - EXODUS AND LEVITICUS

"Life is God's gift. He fashioned every person in his or her mother's womb. Each of us are 'fearfully and wonderfully made' (Psalm 139:14). Exodus and Leviticus are biblical books about life. They go together describing the new life Israel received when God rescued them from their captivity in Egypt and explains how God taught them to live holy lives for His glory. Through these books we see how God redeems us and claims us as His people, and leads us to be holy as He is holy. These two books together are a powerful study. God leads His people out of bondage and into new life through Jesus Christ."
