

THIRST

REVIVAL CONFERENCE

Are you satisfied?

Every one of us has a thirst that goes beyond the physical realm; we long for spiritual refreshment, for the purpose of God in our lives, and for the rich relationship with Jesus we were created to enjoy.

Many people spend their lives trying to quench their soul-thirst with the wrong things. Join the Life Action team at the upcoming THIRST conference—four days set apart where you can revisit your love for God, refresh your faith in Him, and restore the vision of your soul.

What to expect:

- Reverent worship
- High-energy children's programs
- Practical teaching from the Bible
- Special sessions for teens
- Concentrated time to seek God

Reminder: Before the Life Action team arrives, clear your family calendar so you can participate in each of the five sessions, Sunday morning through Wednesday evening.
