

## THIRST REVIVAL PRAYER HOMES

The GraceLife staff and leadership encourage you to join other GraceLifers as we prepare our hearts for revival through prayer. Please attend at least one of the gatherings in your area each of the next two weeks before the Thirst Revival. Prayer guides from last week's bulletin can help direct our "together" time in prayer. Extra copies are at the Connection Center. Corporate prayer is a crucial beginning for revival which shapes us—individually and as a church—according to God's GOOD design. Don't miss out!!
