➤ THE GOSPEL PROJECT

It has been said that it is possible to know all of the Bible stories and still miss the story of the Bible: the story of redemption through Jesus Christ. Therefore, this September we begin using The Gospel Project in our Life Groups. It is designed to walk participants of all ages through Scripture in order to understand how all Scripture testifies of the Gospel of Jesus Christ. We are excited about this opportunity to deepen our understanding and application of the Gospel in every area of our lives. We invite you to join us on this Gospel journey.

We begin "In the beginning" with God's sovereign and amazing creation of all that exists, including mankind - His image bearers. We will examine God's perfect design, how it was marred by sin and how that sin separated us from God. Yet out of broken and scattered people, God called a man to trust and obey Him, and through that man nations would be blessed.
