

A Godly Witness in an Ungodly World

Acts 6:8-15; 7:1-60

What made Stephen such an effective Witness?

1. Confidence in the Word of God

2. Commitment to the Savior

Josh Buice

“The church is not to be ever-changing or seeking to be culturally relevant. Cultural relevance makes the church biblically irrelevant.”

3. Compassion for the Lost

- Learn to worship God each day, regardless of where you are.
- Know the Scriptures so that you can talk freely about God’s plan for His creation.
- Allow God to give you freedom to talk openly about Jesus and your own witness of faith.
- Trust God to provide whatever courage and peace you need in times of struggle, and ultimately, at the time of death.
